Annual Civil Court Update

3 hours CPD

It is vital for civil practitioners to keep abreast of current developments to allow them to best serve their client’s interests.

As well as tackling up to date developments of significance in civil practice in the Sheriff Court - including the fundamental changes introduced by the Court Reforms (Scotland) Act 2014, this seminar will also include an update of the most important cases recently decided.

After attending this seminar delegates will have an understanding of recent developments and changes and how these changes will affect day to day practice and client advice.

Speaker: Sheriff Lindsay Foulis

Edinburgh 13 June 2.00-5.15pm
Glasgow 24 June 2.00-5.15pm

£127.50 + VAT CLT Members
£255 + VAT Non-members

Live Webinar Duty of care – vicarious liability and beyond

1 hour CPD

Duty of care is the cornerstone of personal injury claims. With reference to recent case law, this practical webinar will provide a comprehensive update of the current thinking.

Speaker: Damlan White, Digby Brown

Simple Procedure in the Sheriff Court – Rules and Practice
3 hours CPD
The Simple Procedure Rules for the Sheriff Court have been in force since 28th November 2016. These represent the latest of the changes stemming from the Courts Reform (Scotland) Act 2014, described as the single most important piece of legislation in the field of Scottish civil justice for over a century.
This comprehensive essential update will look at the Rules and consider their effect in practice. Delegates attending this seminar will:
• look at the background to the Courts Reform (Scotland) Act 2014
• examine the Simple Procedure Rules 2016 in detail and their current scope
• consider the timetable and procedural steps of a disputed claim under Simple Procedure
• understand the practical aspects of litigating under Simple Procedure including some of the relevant court forms
• explore the differences between Simple Procedure and previous small claim/summary cause procedure
• look at remits, transfer and appeals
Speaker: Denise Smith

Extracting Payment from Unwilling Debtors

3 hours CPD
This seminar acts as an essential guide – taking you through the process from A-Z.

Pre-Legal
- What can you say in a letter before action?
- What can you say in a phone call?
- The Financial Conduct Authority’s Sourcebook (CONC) - how does this affect the recovery of regulated debt?
- How to respond to debtor complaints?
- The draft English Pre – action protocols for debt. How could this impact in Scotland?
- The Scottish summary cause simple procedure rules – what impact will they have for debt recovery?

Legal
- Is court action advisable?
- Information is “king”-what can your clients’ provide?
- What information can you gather yourself from various sources?
- Commercial debt and consumer debt - different approaches to chase those assets
- When to use diligence on the dependence
- When to use statutory demands

After attending this seminar, delegates will have a thorough understanding of the pre-legal and legal steps required to efficiently recover debt.

Land Registration - do your plans make the grade?
3 hours CPD
Plans are a crucial part of the requirements for registration under the 2012 Act. This seminar will cover this important area in the following four sections.
• Explaining the new system of mapping
• Ordering and interpreting plans reports
• Mapping tenement property
• Shared and sharing plot title sheets
Speaker: Valerie Clough

Terminating Commercial Leases and Tenancy Obligations
3 hours CPD
In today's property market, it is important that both landlords and tenants are aware of the ways in which they can bring their leases (and lease obligations) to an end.
This practical course looks at the main areas of law and practice surrounding the termination of commercial leases, and its effect on both the landlord's and the tenant's obligations under the lease.
After attending this seminar, delegates will have an understanding of:-
• notices – how to use them, when, what to say and their effect
• traps to avoid
• tenants' break options
• irritancy
• the sub-tenant problem
Speaker: Sheila Webster, Davidson Chalmers Stewart

Registering flatted property in the Land Register
3 hours CPD
Dealing with the registration of flatted property has proved challenging since the introduction of the Land Registration etc. (Scotland) Act 2012. This is a very practical seminar that looks at the detail of the different situations and explains how to get your application on to the register with the minimum of fuss.
The topics included are as follows:
- what is a tenement steading in terms of the 2012 Act?
- previous registrations and how they affect a current registration
- common areas and how they are dealt with for old and new developments
- different scenarios and how to deal with them to ensure registration

After attending this seminar delegates will be confident they know how to tackle the various different types of tenement registrations.

### Land and Buildings Transaction Tax - the practical guide

**3** hours CPD

Even as Land and Buildings Transaction Tax (LBTT) enters its fifth year of operation, it remains a difficult and technical tax, full of traps for the unwary.

This comprehensive seminar will arm delegates with the tools they need to keep themselves and their clients on the right side of the law.

After attending, delegates will have an understanding of:

- LBTT and owned land
- LBTT, leases and the transitional rules – difficulties from the past
- the practicalities of LBTT – complying with the tax regulations
- advising commercial clients and corporates – some particular points to note
- ADS – a run through of the main points to be aware of when purchasing residential property
- what’s next?

**Live Webinar** What is the best way to deal with a KIR registration?

1 hour CPD
Keeper-induced registration has always been a controversial policy and this new webinar looks at how it has developed from its inception to the current position. After viewing the webinar you will be confident in taking forward a KIR sale for your clients.

**What’s New in the Land Register?**

3 hours CPD
This seminar considers what the pressure points are for the Land Registration etc. (Scotland) Act 2012. How do you ensure that your clients get the title sheet they require in the changing environment?
Topics covered include:
• plans
• servitudes
• Keeper induced registration
• shared and sharing plots
• completion of the Land Register

After attending this seminar you will be confident that your understanding of any changes regarding the pressure points in the 2012 Act is up to date. You can then deal with any eventualities in a Land Registration transaction.

**Residential Tenancies - what you need to know in 2019**

3 hours CPD
There has been a raft of changes in recent years in the law and practice in relation to Scottish residential tenancies.

After attending this seminar delegates will have an understanding of the most relevant developments including:-
• Private Housing (Tenancies)(Scotland) Act 2016 and the new PRT
• regulation of private sector landlords
• HMOs - some new developments
• law on repairs and recent practice
• Energy Performance changes
• tenancy deposit issues
• further issues with short assured tenancies and protected tenancies

**Live Webinar** Discharge and Variation of Burdens

Planning Law: The Comprehensive 2019 Update

3 hours CPD

The Planning (Scotland) Bill is due to be passed in the summer.

This update will focus on the provisions of the Bill as passed or the Planning (Scotland) Act (as the case may be) including its provisions about a new development planning system; “simplified development zones” through the zoning of land; changes to the development management and planning enforcement regimes; the measures which aim to improve planning authorities’ performance and the establishment of an infrastructure levy payable to councils.

The update will also provide:

• a commentary about any recent Scottish Government planning, guidance and advice;
• a review of recent court decisions (from both north and south of the border);
• details about any noteworthy planning appeal decisions; and
• updates about related areas of law

Speaker: John Watchman, Watchman & Co

11 June 1.00pm-2:00pm

Live Webinar The Housing (Scotland) 2014 Act - public and private sector changes

Psychology of Negotiation
6 hours CPD
This new and highly interactive seminar looks at how psychology interfaces with negotiation.
By attending this seminar delegates will develop knowledge of how behavioural impulses can lead to predictable responses during negotiations. By blending learning in this way, and applying it to an in-seminar negotiation simulation, delegates will acquire a new perspective about the subject. In turn, this will help unlock a competitive advantage, for participants.
After attending this seminar, delegates will understand the:
• theory of negotiation
• concept of fairness
• behavioural impulses that drive persuasiveness and enhance the attractiveness of offers
• factors that affect the conclusion of negotiations
• techniques for staying objective and avoiding bias

Speaker: Iain Sim

Make Your Firm Recession Resistant
3 hours CPD
In order to ride out recession, you need to be strategic about your firm and its operations. At the end of this seminar, delegates will:
- understand key concepts of strategy theory and how to apply them
- know key strategy tools and how to use them
- understand key financial tools and how to use them properly
- know how to control fixed costs and expenses
- know about robust business planning and business goal setting
- understand the key to effective marketing
- know the secrets to really effective networking
Speaker: Iain Sim

The Language of Leadership
3 hours CPD
Leaders understand the power of communication techniques that can motivate their teams and manage the most difficult conversations. This course is about relationships with clients and colleagues and how language can build respect and trust and enable us to lead others to agree mutually satisfying conclusions. It also turns otherwise difficult conversations from damaging personal disputes, to problem focused debates that remain respectful. Used by world famous negotiators these techniques will help you to lead discussions with clients and colleagues to a respectful, mutually satisfying conclusion.

After attending this seminar you will:
- understand how emotion affects thinking & behaviour under stress
- understand transactional analysis and how it frames negative and positive communication
- understand the role of the facilitator in assisting others to solve a problem and how this differs to that of a problem solver
- understand the principles and objectives of facilitative language
- be able to describe the principles, objectives and methods of a principled negotiation

Avoiding Negligence Claims in Wills, Trusts and Executries

3 hours CPD

In recent years, courts in both Scotland and England have been prepared to award damages to “disappointed beneficiaries” arising from actions brought by the latter for negligence in will making. A failure to identify these difficulties or traps may lead to actions against you in future.

This seminar is designed to enable you to identify and reduce those risks, and will be suitable for practitioners of all levels.

After attending this seminar, delegates will have an understanding of:

• the present state of the law in negligence in willmaking in both Scotland and England
• how to avoid claims being made
• how to identify and deal timeously with difficult cases
• time limits in executries
• how to manage “willmaking files” and appropriate record retention
• loose practice is not necessarily negligence – where does the borderline lie?

Speaker: John Kerrigan, Blackadders

Planning for Retirement - the tax issues
3 hours CPD
There are a number of important issues to consider when you or your clients are planning for retirement. This comprehensive seminar will consider the key tax issues and will take into account all relevant developments after the Finance Act 2019. After attending this seminar delegates will have an understanding of:
- revised taxation rules effective from 6 April 2018 - income tax and inheritance tax
- tax changes from 6 April 2018 for UK dividend income and other savings income
- effect of Scottish rates of income tax applying from 6 April 2018
- dealing with business assets and the implications of capital gains tax
- inheritance tax issues on succession including the “residence nil rate band” and “downsizing” for deaths after 6 April 2018
- capital gains tax changes relating to the sale of residential property
Speaker: Professor Alex McDougall

Live Webinar The Missing Will and Rectification of a Will
1 hour CPD
Missing wills are a problem for our profession. A defectively expressed will of an individual can be rectified by the Court after death. This webinar considers both issues.
Speaker: John Kerrigan, Blackadders

25 June 1.00-2.00pm
£65 + VAT CLT Members
£130 + VAT Non-members
We believe that wellbeing is an issue that unites the profession and that needs to be prioritised if we are to continue to attract and retain the best talent.

You’ve told us that you feel the same.

We worked with solicitors, executive coaches and a psychodynamic counsellor and in partnership with LawCare to develop a unique **Wellbeing for Lawyers** e-learning course. Written by lawyers for lawyers, it will enable you to:

- Assess the pressures you encounter
- Explore strategies for wellbeing
- Identify the steps you can take to support your colleagues
- Foster a culture of wellbeing

Intensely practical and highly interactive, **Wellbeing for Lawyers** includes real-life perspectives of lawyers who have struggled with poor mental health and those who support wellbeing initiatives in law firms.

For every course sold we will be making a contribution to LawCare to help them continue to promote and support good mental health and wellbeing in the legal profession.

For further information and a free demo of our e-learning range, please call our friendly Customer Service Team on **0141 225 6700** or email **enquiries@clt.scot**

Trainee CPD - TCPD

Beyond Time
6hrs TCPD
Edinburgh 31 July 9.15am-4.45pm
While there are many time management courses available, those who attend often leave the training with ‘time’ being as elusive a concept as when they first entered the classroom!
In contrast, this course goes beyond ‘time management’ by introducing structured approaches and methods required by legal practitioners that are memorable, easy to use and can be applied immediately.
Trainee rate - £180+VAT
TCPD Clients - £n/a*

Mandatory Ethics
4hrs TCPD
Edinburgh 24 July 9.15am-1.30pm
Glasgow 26 June 9.15am-1.30pm
Attendance at this training is mandatory for trainees between months 9 and 15 of their traineeship.
The seminar covers: confidentiality; conflict of interest; and anti-money laundering. Delegates will consider ethics and their practical application.
The seminar has been designed to be entirely interactive with trainees encouraged to reflect upon practice.
Trainee rate - £120+VAT
TCPD Clients - £n/a*

Essential Legal Proofreading
6hrs TCPD
Glasgow 26 August 9.15am-4.45pm
Proofreading is an essential element in the production of error-free documentation. This proofreading programme considers a number of practical techniques that will improve the accuracy of the documentation you produce and achieve a consistent approach.
This course is essential for all trainee solicitors as it directly addresses aspects of all four PEAT2 outcomes.
Trainee rate - £180+VAT
TCPD Clients - £n/a*

Employment Tribunal Workshop
6hrs TCPD
Edinburgh 15 August 9.15am-4.45pm
After attending this workshop, delegates will have gained a practical and tactical understanding of the Employment Tribunal process and procedure and will be equipped with the necessary skills required to represent clients in the pursuit or defence of an Employment Tribunal claim.
Trainee rate - £180+VAT
TCPD Clients - £n/a*

On-site Training

On-site training is a convenient, cost effective and flexible solution when you have three or more delegates.

All of our seminars, master classes and paralegal qualifications can be delivered at your premises. These can be tailored to suit your particular needs.

In addition to legal topics, we provide an extensive range of training in a number of core areas:

**People Management**
- Delegation
- Mentoring
- Coaching
- Conducting appraisals
- Disciplinary and grievance

**Business Management**
- Time management
- Diversity and inclusion
- Finance for non-financial professionals
- Data protection
- Supplier management

**Professional Skills**
- Presentation skills
- Client engagement
- Managing effective meetings
- Project management
- Technology

Benefits of on-site training include:
- a confidential learning environment
- unlimited delegates
- content tailored to your needs
- a choice of speaker
- delivery of a consistent firm-wide message

The training was the most engaging, informative and comprehensive I have ever received

Join the hundreds of firms which benefit from increased skills and fee-earning capacity by investing in specialist paralegal qualifications. Over 9000 paralegals throughout the UK have chosen to qualify with Central Law Training.

Central Law Training offers 12 specialist paralegal qualifications which provide thorough, in-depth knowledge of the chosen subject area. The qualifications are graduate level and provide skills that can be immediately applied in practice. They are delivered by flexible distance learning and our staff and expert tutors are available throughout the course to provide guidance and support.

Studies can commence at any time and can be completed around other commitments. On-site training can also be provided for groups of 5 or more.

“Professionally qualified paralegals are a valuable asset, wherever they work. They make a substantial contribution to the private client legal profession, local authorities and public and private sector entities alike”
